13. After successfully making payment, you will be directed to a Thank you screen. From this screen, you can click the link to Manage your ITLS Licenses. This is where you will enroll your students using the licenses you purchased.

You will also receive an order confirmation email that will contain this link, as well as your username and password information. You should save this email to easily return to the site to manage your licenses in the future.

Thank you for your order.

Your account has been updated with your purchase. Please retain this email in your files. It contains your username/password information, as well as a direct link to access your course content. You may use this email in the future to access your course content at any time.

Your Licenses

To use your licenses create a new student list and select which licenses to use, then add your students to the list and select the ones you want to enroll.

Course Code	Course Name	Duration	Licenses Remaining	Total Purchased
ITLS-8ed-update	ITLS 8th Edition Instructor Update	n/a	10	10

NOTE: If you wish to take the 8th Edition Instructor Update yourself, you must Enroll yourself using the same procedures outlined above. You will not be automatically enrolled in the course when you purchase multiple licenses.

19. You will receive a message that the student was enrolled. The Manage Licenses section automatically updates to show fewer licenses remaining.

An email with training access details has been sent automatically to the student to begin the course (see sample email below).

20. You may also continue adding students from this screen by again completing the First Name, Last Name, and Email Address fields, and clicking Enroll again. You will complete this process once per student to enroll.
