

## RESOLUTION

SUBMITTED BY: Gregory J. Love, 2018 International Congress Delegate, Illinois

SUBJECT: John Emory Campbell Memorial Scholarships for International Trauma Conference

The ITLS Board of Directors will create two scholarships, titled the John Emory Campbell Memorial Scholarships that would cover all expenses for two healthcare providers to attend the annual International Trauma Conference, including a room at the conference hotel (the night preceding the conference through the day after the conference), ITLS conference registration and travel costs. One designated for a person from North America, and one would cover expenses for an individual from outside the USA or Canada.

The Board of Directors will establish a new fund titled the John Emory Campbell Memorial Scholarship Fund for the purpose of funding these scholarships. ITLS International will be responsible for solicitation of contributions.

Scholarships are to be awarded to individuals unable to otherwise attend the ITLS International Conference and who have not attended a previous ITLS conference. Each Chapter is to submit applicants from their Chapter who are not their delegates and selection is up to the ITLS Board of Directors. Awardees will be announced on July 25, 2020, and annually on that date thereafter.
