ITLS Chapter: Special Training Center (but now outside of Chapter yet, after Virtual Site Visit, waiting for BOD decision)

Occupation: Pediatrician, Pediatric Cardiologist; Professor`s Assistant and Lecturer in Bogomolets National Medical University; Medical Training Company “Special Training Center” Co-Founder, Medical&Managing Director; Head of NGO “Special Training Center”.

(1) Describe prior involvement with your ITLS Chapter: Instructor, Course Coordinator, Course Medical Director, Course Organizer in Ukraine (with ITLS Chapter Poland)

(2) Describe your prior involvement with ITLS International (committees, etc.):

Editorial Board Scenario Development Team

Chapter & Training Centre Support Committee

(3) What other volunteer or leadership activities have you been involved with?

Medical Training Company “Special Training Center”: Medical and Managing Director, course materials, workbooks author and co-author.

Chairman of the Board of NGO “Special Training Center”

Head of Medical Simulation Center of Pediatrics Department #4 of National Medical University

Ukrainian EMS Competition scenarios author and Judge

Conference Speaker

(4) Describe any previous or current experiences on other Boards:

Chairman of the Board of NGO “Special Training Center”

Head of Pediatric Section and Instructor BLS/ALS of NGO “All-Ukrainian Resuscitation Council and emergency medicine” (2011-2014)

(5) Can you regularly attend Board meetings? Yes, but via internet (e.g. Zoom)

Regular meeting conflicts? Only when I on duty and managing critical patients

(6) How many hours per month could you contribute?

Up to 48

(7) Why are you interested in serving on the ITLS Board?

Opportunity to actively participate in the dissemination of knowledge and skills of prehospital trauma care around the world, and in Eastern Europe and Ukraine in particular. I hope that my feldsher’s and doctor’s knowledge and skills of prehospital adult and pediatric patient’s management, as well as managerial experience, will be useful for ITLS for the implementation of its mission. And my medical teacher experience as well.
