This activity has been approved for AMA PRA Category 1 Credits™

**INTERNATIONAL
TRAUMA**
conference
Charlotte, North Carolina
NOVEMBER 12-15, 2025

Conference Speakers

Ashley Lutrick, DO

Assistant Professor, Department of Emergency Medicine
ECU Brody School of Medicine
Associate Medical Director, ECU Health EastCare
Greenville, North Carolina, USA

Joana Adams, MD, MS, FACEP, FAEMS

Clinical Assistant Professor
Department of Emergency Medicine
ECU Brody School of Medicine
Medical Director, ECU Health EastCare
Greenville, North Carolina, USA

Chris J. Hartman, MD, FACEP

Attending Emergency Physicians
Franciscan Health
Indianapolis, Indiana, USA

Camilla Wong, MD, FRCPC, MHSc

Geriatrician, Unity Health Toronto
Associate Professor, University of Toronto
Toronto, Ontario, Canada

Lobna Ahmed Elgamel, MD

Critical Care Consultant
Ministry of Health and Population, Egypt
Alexandria, Egypt

Michael Simon, EdS, MBA, NRP

Enterprise EMS Education Manager
Cleveland Clinic
Litchfield, Ohio, USA

Curtis Brown, MD, FACEP

Nevada ITLS Medical Director
Clinical Associate Professor, University of Nevada
School of Medicine
Reno, Nevada, USA

**Nicole de Montille, BEMC, PGDHSE,
Instructor (ITLS, AHA)**

Lecturer/Facilitator ITLS Southern Africa, Resuscitation
Council of South Africa
Benoni, Gauteng, South Africa

Parag Rishipathak, Ph.D.

Professor & Director, Symbiosis Centre for Health Skills
(SCHS), A Constituent of Symbiosis International (Deemed University)
Pune, Maharashtra, India

Jeff Hinshaw, MS, PAC, NREMT-P

Instructor, Emergency Medicine
Wake Forest University, School of Medicine
Yadkinville, North Carolina, USA

**INTERNATIONAL
TRAUMA**
conference
Charlotte, North Carolina
NOVEMBER 12-15, 2025

Conference Speakers

Kristopher Porlier, CD, Med, BSc, ACP

Assistant Professor of Clinical Surgery
Indiana University
Indianapolis, Indiana, USA

Rachel Rodriguez, MD, MS, FACS

Associate Professor of Clinical Surgery
Indiana University
Indianapolis, Indiana, USA

Bob Waddell II

Training Manager, SAM Medical
Beulah, Wyoming, USA

**Shea Duerring, MD, NRP,
FAAP, FACEP, FAEMS**

Associate Professor, Division of Pediatric
Emergency Medicine
University of Alabama Birmingham
Birmingham, Alabama, USA

Nicholas Cozzi, MD, MBA, FACEP, FAEMS

EMS Disaster Medicine Director
Rush University Medical Center
Chicago, Illinois, USA

Jeffrey Goodloe, MD, NRP, FACEP, LSSBB

Professor and EMS Section Chief, Department of
Emergency Medicine, The University of Oklahoma
School of Community Medicine
Tulsa, Oklahoma, USA

Ryan Stanton, MD, FACEP, FAAEM

Medical Director
Lexington Fire/EMS
Emergency Physician
Central Emergency Physicians
Lexington, Kentucky, USA

Steve Maffin, BS, Paramedic

Chief (Retired) Lancaster Fire Department
Lancaster, Ohio, USA

Brian Selke, BA, NRP, TP-C

Faculty Instructor, Gadsden State Community College
Alexandria, Alabama, USA

Mahmoud Hassebo

ER Consultant
Head of Department Dr Samir Abbas Hospital
Trauma Center Level II
Jeddah, Saudi Arabia

**INTERNATIONAL
TRAUMA**
conference
Charlotte, North Carolina
NOVEMBER 12-15, 2025

Conference Speakers

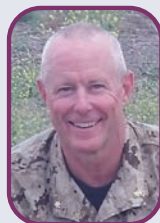

Benjamin Brewer, Ed.D, MBA, Paramedic
Western Illinois University, Paramedic Program Director
Chief Deputy Coroner
Macomb, Illinois, USA

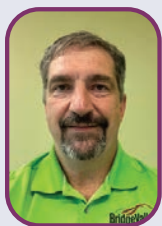

Major Stephanie Smith, MD, CCFP-EM, BN, MDEM
Emergency Room Physician, Physician
Canadian Armed Forces
Oromocto, New Brunswick, Canada

Christopher Blake, BSN, RN, CFRN, NR-P, FESI-II
EMS Coordinator – Akron Children's Hospital
North Canton, Ohio, USA

Bradley Butler, MD, FACEP
Medical Director (AZ ITLS)
CAPT MC (FMF), USN
Phoenix, Arizona, USA

Jonathan Fannin, BA, NRP, FP-C, MCCP
Emergency Medical Services Training Program Director
Bridge Valley Community & Technical College
Montgomery, West Virginia, USA

Aaron Jeanette, BS, NRP
Educator/ Methodist Clinical Coordinator EMS
Indiana University Health
Indianapolis, Indiana, USA

Pre-Conference Workshops

**Space is limited for these workshops. Register today!*

Duty to Respond

Wednesday, November 12, 2025

8:30 am – 12:30 pm

Ron Kowalik, BPHE, ACP

Focus on initial patient assessment & critical interventions until advanced care is available. All students must have First Aid Certification. Course modules cover scene considerations, rapid trauma assessment, shock and bleeding, airway and breathing management, delayed transport and reassessment, hypothermia, triage, and effective communications. This course is for first responders who are not EMTs, Paramedics, or above.

Cost: \$179 with 2-day conference registration
\$219 Workshop Only
(Price includes ITLS Duty to Respond manual)

Sport Specific Trauma Management

Wednesday, November 12, 2025

8:30 am – 12:30 pm

Marc-Antoine Dore, M.Sc(C), CAT(C), PCP

Designed for healthcare providers working in sports or mass-gathering settings, this session provides practical skills and insights tailored to the unique demands of hockey, football, lacrosse, and large-scale events. Participants will learn to assess and manage common injuries, such as fractures, dislocations, and head and spinal trauma, with an emphasis on rapid, field-appropriate techniques.

Cost: \$179 with 2-day conference registration
\$219 Workshop Only

Pediatric Skills

Wednesday, November 12, 2025

1:00 pm – 5:00 pm

Christopher Blake, BSN, RN, CFRN, NR-P, FESI-II

An interactive discussion / hands-on skills session that simplifies and expands upon the skills from PALS / PEARs. Attendees will learn “tricks of the trade” on the fundamental pediatric skills and then be given the opportunity to practice them with the hands-on portion with high-realism mannequins.

Cost: \$179 with 2-day conference registration
\$219 Workshop Only

Instructor Update

Wednesday, November 12, 2025

6:00 - 8:00 pm

Aaron Jeanette, BS, NRP

Jonathan Fannin, BA, NRP, FP-C, MCCC

Current ITLS instructors can renew their instructor status and learn the latest updates from the upcoming self published 1st edition provider manual, including the revised assessment sequence. The new 1st Edition Instructor Update will work through the textbook on a chapter-by-chapter basis to provide a comprehensive outline of the key components and changes of the new edition. The Instructor Update will be required for all instructors to complete before they are eligible to teach from the 1st edition. This course is limited to current ITLS instructors. The textbook is not included in the registration fee.

Cost: \$50 with 2-day conference registration
\$75 Workshop Only

Continuing Education

This activity has been planned and implemented in accordance with the accreditation requirements & policies of the Accreditation Council for Continuing Medical Education through the joint providership of the Emergency Medicine Learning and Resource Center and International Trauma Life Support (ITLS). The Emergency Medicine Learning and Resource Center (EMLRC) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

EMLRC designates this live activity for a maximum of 30.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Emergency Medicine Learning and Resource Center (EMLRC) is approved as a provider of continuing medical education by the Board of

Florida Physician Assistants; Provider #50715. A maximum of 30.5 AMA PRA Category 1 Credits™ will be provided by EMLRC. AAPA accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credits™ from organizations accredited by the ACCME or a recognized state medical society. Physician assistants may receive a maximum of 30.5 hours of Category 1 credit for completing this activity.

The Emergency Medicine Learning and Resource Center is approved as a provider of nursing education by the Florida Board of Nursing, Provider #2731. Up to 30.5 nursing contact hours will be provided by the EMLRC.

This continuing education activity is approved by the Commission on Accreditation for Pre-Hospital Continuing Education (CAPCE) and ITLS, an accredited organization, for a maximum of 30.5 continuing education hours.

Education Program

Thursday, November 13

7:30 am - 12:00 pm

Registration & Information Desk

8:00 – 10:00 am

Credentialing Open

10:00 am – 4:00 pm

Trauma Competition

3:15 – 4:45 pm

Credentialing Open

3:30 – 4:30 pm

World Café/Marketing Your Chapter

5:00 – 6:30 pm

ITLS Business & Awards Session

6:30 – 8:30 pm

Opening Reception & Visit Exhibits

How do words on a page translate to hands-on clinical competence the day we walk through the graduation doors of training. We need high-yield training that results in common sense and procedural competence. Seems the more we understand, the better we retain; but is motivation needed to digest it in the first place? Does a group hug substitute for active learning, frustration, and repetition? We'll talk about it. You decide.

10:00 – 10:30 am

Break & Visit the Exhibits & Research Posters

10:30 – 11:15 am

General Session

Caring for Older Adults

Camilla Wong, MD, FRCPC, MHSc

Caring for Older Adults with Traumatic Injuries. This session will describe why the care of older adults with severe traumatic injury necessitates a specialized approach and provide international examples of evidence-based, high quality geriatric trauma care pathways.

11:15 am – 12:30 pm

Lunch & Visit the Exhibits & Research Posters

12:30 – 1:15 pm

Concurrent Session

Serious Fun

Lobna Ahmed Elgamel, MD

This innovative session introduces practical game-based learning strategies to enhance International Trauma Life Support (ITLS) training. Moving beyond traditional teaching methods, participants will explore engaging yet professional activities designed to reinforce critical ITLS concepts, skills, and decision-making processes.

12:30 – 1:15 pm

Concurrent Session

Tension Pneumothorax

Michael Simon, EdS, MBA, NRP

Tension pneumothorax remains a leading, preventable cause of death in trauma, yet EMS providers consistently struggle with its timely recognition and effective management in the prehospital environment. This session will dissect the common pitfalls in assessment and intervention, highlighting how subtle clinical signs are often missed or misinterpreted.

Friday, November 14

7:15 – 8:15 am

Continental Breakfast & Visit the Exhibits

7:15 – 10:30 am

Conference Registration

8:15 – 8:30 am

Welcome and Introductions

8:30 – 9:15 am

General Session

What About the Kids?

Ashley Lutrick, DO &

Joana Adams MD, MS, FACEP, FAEMS

This talk takes a dive into the current literature of TXA and whole blood administration in the pediatric population. We aim to address the challenges of pediatric whole blood and TXA administration including dosing, Rh considerations, and potential adverse reactions in this patient population.

9:15 – 10:00 am

General Session

See One, Do One, Teach One

Chris J. Hartman, MD, FACEP

Education Program

Friday, November 14 (Continued)

1:15 – 2:00 pm

Concurrent Session

Suicide Recognition

Curtis Brown, MD, FACEP

This presentation starts out with a case study, then transitions to information on gun violence and general population suicide rates, risks and compounding factors. The final area of discussion is devoted to recognition and resources for the individual.

1:15 – 2:00 pm

Concurrent Session

Using ITLS to Reach Through the GAPS

Nicole de Montille, BEMC, PGDHSE,
Instructor (ITLS, AHA)

ITLS international training typically occurs within the urban space in mind; however, what happens when there is a need for trauma patient care and management in resource limited or deficient areas? This presentation will highlight how core principles of ITLS were adjusted and adapted built into a program for training that addressed the resource and time complications so prevalent in the remotest areas of Africa.

2:00 – 2:30 pm

Break & Visit the Exhibits & Research Posters

2:30 – 3:15 pm

General Session

Narrowing the Divide

Parag Rishipathak, Ph.D.

This session aims to explore innovative strategies for integrating research findings into simulation programs, empowering participants to connect theoretical knowledge with practical applications. By examining cutting-edge evidence-based approaches, attendees will learn to design scenarios that mirror current best practices in trauma care.

3:15 – 3:30 pm

Break & Visit the Exhibits

3:00 – 4:15 pm

Concurrent Session

Whole Bloods

Jeff Hinshaw, MS, PAC, NREMT-P

This session will highlight the implementation of a rural EMS whole blood program and the unique supply system from a local trauma center that wholeheartedly and enthusiastically supports EMS.

3:00 – 4:15 pm

Concurrent Session

Transplant After Trauma

Kristopher Porlier, CD, Med, BSc, ACP

This session will examine questions posed by emergency care providers around transplant medicine, from an Alberta perspective. During the lecture, we will examine case studies of those who have faced trauma and have been donors as well as rare cases of auto islet transplant after trauma.

4:15 – 5:00pm

General Session

Interdisciplinary Team Care of Complicated Respiratory Trauma Patients from Pre-hospital to Discharge

Rachel Rodriguez, MD, MS, FACS

In this session, we will follow a complex chest injury case while reviewing clinical considerations and techniques to stabilize and treat respiratory complications due to direct chest injury and non-traumatic causes of respiratory failure commonly encountered in trauma patients.

Saturday, November 15

7:15 – 8:15 am

Continental Breakfast & Visit the Exhibits

8:00 – 11:00 am

Registration

8:15 – 8:30 am

Trauma Competition Winner & Research Winner Announcement

Education Program

Saturday, November 15 (Continued)

8:30 – 9:15 am

General Session

Breaking Bad

Bob Waddell II

We will deep dive into an actual case where a multi-systems trauma patient received inappropriate care from at least three different agencies and still lived to tell the story. Why? Because each of these agencies cared for the patient and each breeched protocols and standards of care.

9:15 – 10:00 am

General Session

Pediatric Trauma

Shea Duerring, MD, NRP, FAAP, FACEP, FAEMS

This lecture will highlight the initial assessment and resuscitation principles for children and discuss specific management of common traumatic injuries in children to improve the initial care and stabilization of children in trauma.

10:00 – 10:30 am

Break & Visit the Exhibits

10:30 – 11:15 am

General Session

City Streets to Country Roads

Nicholas Cozzi, MD, MBA, FACEP, FAEMS

Jeffrey Goodloe, MD, NRP, FACEP, LSSBB

Ryan Stanton, MD, FACEP, FAAEM

This presentation explores the management of trauma patients from the perspective of EMS physicians serving both urban and rural systems. We examine the similarities and differences in system design, patient management, and protocols, highlighting how geographic and resource variations impact trauma care. Key topics include hemorrhage control, pre-hospital blood administration, and other critical interventions that influence patient outcomes.

10:30 – 11:15 am

General Session

Geriatric Trauma

Steve Maffin, BS, Paramedic

This session explores key factors unique to the elderly population, including common injury mechanisms and

management strategies. Attendees will gain insight into the challenges of geriatric assessment and discover practical approaches to optimize care for these special patients

12:15 – 1:15 pm

Lunch

12:15 – 1:15 pm

Competition Team Debriefing

1:15 – 2:00 pm

Concurrent Session

Road to Recovery: Fighting Back From Injury

Brian Selke, BA, NRP, TP-C

Discuss the importance of understanding and addressing the issues in the First Responder field that arise with moral injury. In this session, we will address the root causes of moral injury, workplace stress, and these issues affect day-to-day operations.

1:15 – 2:00 pm

Concurrent Session

Trauma Care Optimization

Mahmoud Hassebo, ER Consultant

Because time is crucial in trauma care, this lecture will focus on how artificial intelligence integrated with telemedicine can help route trauma patients to the most appropriate Emergency based on the severity of their injuries.

2:00 – 2:45 pm

Concurrent Session

Should I stay or Should I go?

Benjamin Brewer, Ed.D, MBA, Paramedic

This presentation focuses on the unnecessary use of resources on victims beyond help based upon ITLS guidelines, ACEP, Society of Critical Care Medicine and AHA. Additionally, the presentation highlights that the above misuse of resources hinders or prevents appropriate care for viable patients.

Education Program

Saturday, November 15 (Continued)

2:00 – 2:45 pm

Concurrent Session

Leadership Framework for Team Leaders (EMS & Trauma Teams)

Major Stephanie Smith, MD, CCFP-EM, BN, MDEM

A collaborative effort from paramedics, nurses, and physicians will be helpful in gaining a unique perspective on the implementation of the leadership framework. We will assess and provide results from a structured EMS/ED handover with the goal of improving efficiency, collaboration, and therefore ensuring the team brief is powerful and succinct.

2:45 – 3:00 pm

Last Chance to Visit the Exhibits

3:00 – 3:45 pm

General Session

Chest Trauma

Steve Maffin, BS, Paramedic

This presentation will explore the 'Deadly Dozen' chest injuries, emphasizing differential diagnosis and clinical decision-making. The goal is to move beyond rigid formulas, empowering providers to accurately identify and manage complex traumatic injuries with confidence.

3:45 – 4:00 pm

Break

4:00 – 4:45 pm

General Session

Reducing the Pucker Factor: Ensuring Pediatric Readiness for High Stress Emergencies

Christopher Blake, BSN, RN, CFRN, NR-P, FESI-II

Have you ever felt that "pucker factor" when responding to a pediatric emergency. This presentation will discuss why that may be occurring along with statistics on the number of pediatric emergencies we respond to.

4:45 – 5:30 pm

General Session/Closing

Lessons Learned in War

Bradley Butler, MD, FACEP

Lessons Learned in War will describe training, equipment, and medical advances learned in the last 20 years of the wars in the Middle East, as well as some personal lessons Captain Butler learned on deployments.

Registration & Information Desk Hours

Wednesday, November 12

7:30 am – 12:00 pm

Thursday, November 13

7:30 am – 12:00 pm

Friday, November 14

7:15 – 10:30 am

Saturday, November 15

7:15 – 10:30 am

Hotel and City Information

Address: 8629 J M Keynes Dr, Charlotte, NC 28262

Just steps from the Shoppes at University Place and a half mile from The University of North Carolina at Charlotte. Charlotte Motor Speedway, zMAX Dragway, and PNC Music Pavilion are within five miles. The hotel offers event space and a full-service restaurant. Enjoy the fitness center, and café serving Starbucks® coffee.

Rooms and Rates:

- 2 Double Beds Deluxe Room – \$159.00
- 1 King Bed Deluxe Room – \$159.00

The cut-off date for ITLS' Group's reservations is 12:00 a.m. (EST) on 10/22/2025, three weeks before arrival. After this date, rates may increase. Visit the ITLS website to secure the discounted hotel rate at ITRAUMA.org/conference.

Charlotte Douglas International Airport (CLT):

- 15 miles
- 25–30 minutes by car
- Ride-share (Uber/Lyft), taxis, or rental cars are readily available at the airport.

Note: Traffic can be heavy during peak hours. Plan accordingly if you're arriving around rush hour.

Things to Do Around Charlotte:

While you're here for the conference, make time to explore Charlotte's charm! Here are some local highlights:

Within Walking 15 Minutes:

- Shoppes at University Place – Restaurants, retail stores, and lakeside walking.
- UNC Charlotte Botanical Gardens – A peaceful spot for nature lovers.

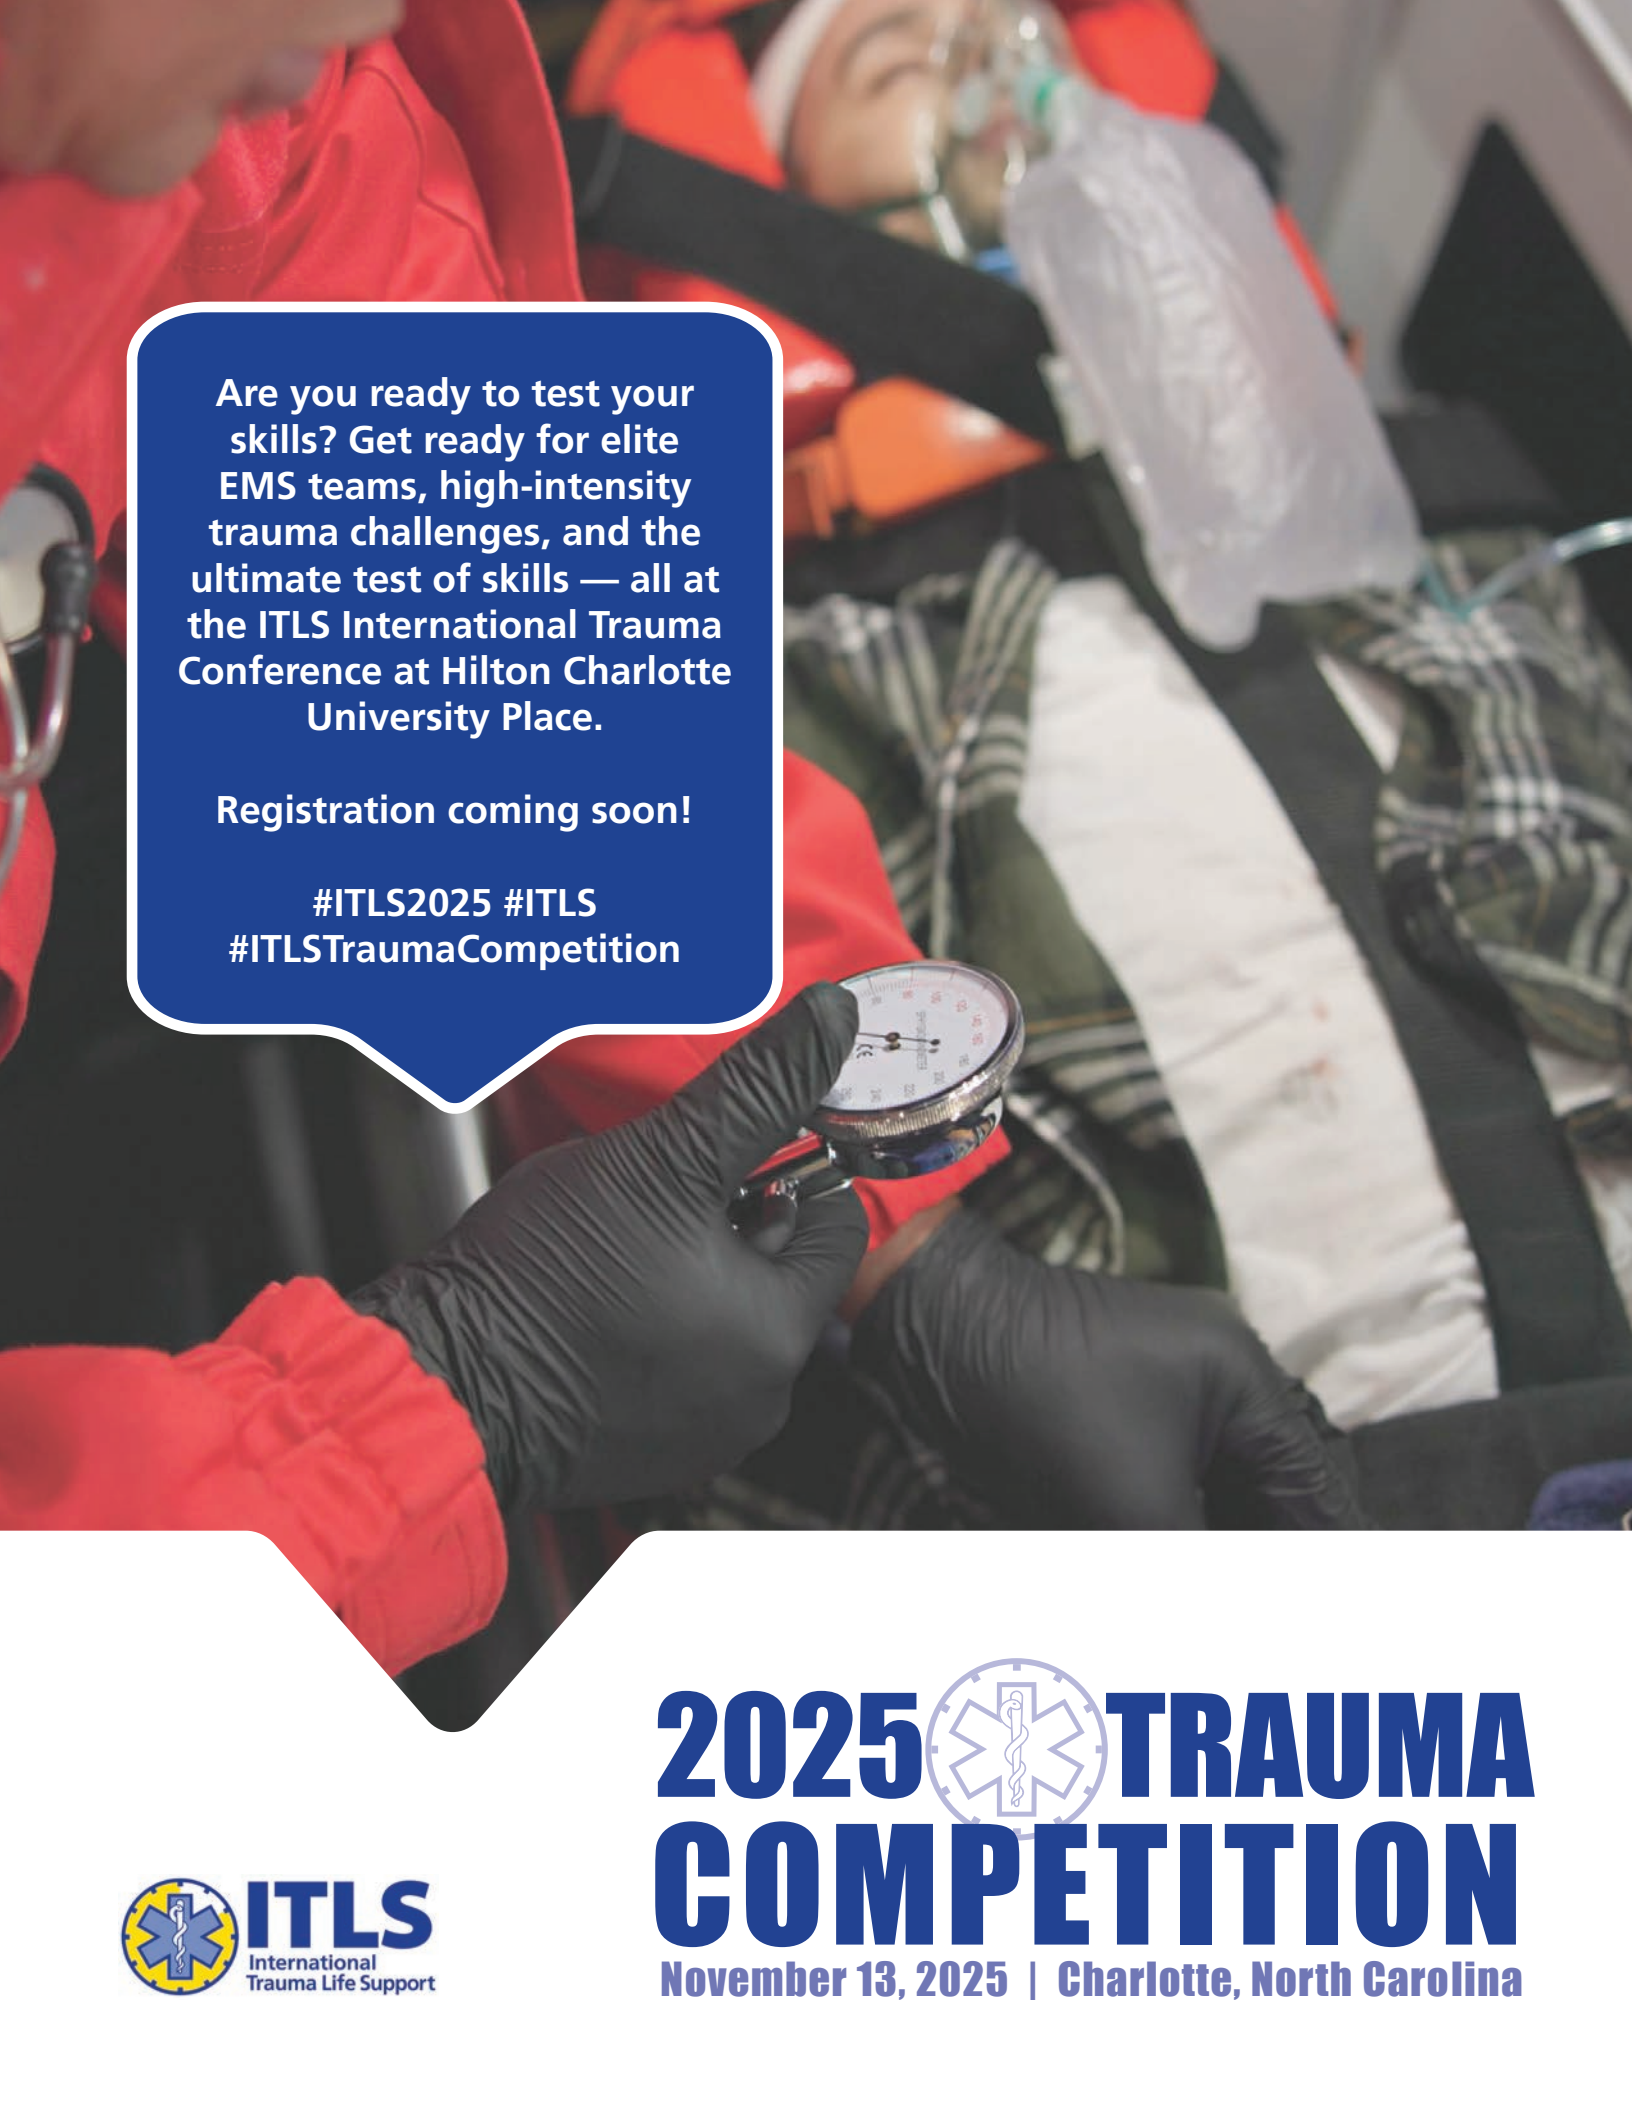

- South End District – Trendy area with food halls, murals, and light rail access.
- NoDa Arts District – Artsy neighborhood known for live music, galleries, and craft beer.

20–30 Minutes Drive Away:

- Uptown Charlotte – Museums (NASCAR Hall of Fame, Mint Museum), breweries, and rooftop bars.

For Outdoor Enthusiasts:

- Freedom Park – Great for a run, picnic, or relaxing stroll.

Are you ready to test your skills? Get ready for elite EMS teams, high-intensity trauma challenges, and the ultimate test of skills — all at the ITLS International Trauma Conference at Hilton Charlotte University Place.

Registration coming soon!

Special Events

ITLS World Café

Thursday, November 13 – 3:30 – 4:30 pm

Join this fast-paced, collaborative session to explore how technology and social media can drive growth and engagement for your chapter or training center. Through rotating group discussions, you'll share ideas, discover practical tools like SimX and the Code Blue Leader app, and leave with actionable strategies to enhance your outreach and impact.

ITLS Business Awards Session

(No charge with conference)

Thursday, November 13 – 5:00 – 6:30 pm

The session will include election of three members of the ITLS Board of Directors, Speaker, and Vice Speaker and presentation of ITLS' annual awards. Delegates must be credentialed before entry. Credentialing will be open from 8:00 – 10:00 am; 3:15 – 4:45 pm. There is no charge for this event.

ITLS Opening Reception

(No charge with conference)

Thursday, November 13 - 6:30 - 8:30 pm

Catch up with old friends and make new connections during the International Trauma Conference. The Exhibit Hall will be open and light appetizers will be served. A cash bar will be available. Don't miss it! Additional guests can attend for a fee of \$20, which can be added during registration.

Research Forum

(No charge with conference)

Thursday, November 13 & Friday, November 14

The Research Forum presents thought-provoking original research on Thursday and Friday of the conference. Selected abstracts will be presented as posters around the conference venue. An Excellence in Research award will be presented to the top investigator. There is no charge for this event but conference registration is required.

Trauma Competition

Thursday, November 13 – 10:00 am – 4:00 pm

Teams from around the world will compete using the ITLS assessment to triage and treat trauma patients in simulated scenarios. Watch teams showcase their patient care skills at this conference favorite! Teams will complete 3 scenarios; the team with the highest accumulative score will be declared the winner. All team members must be registered for the at least one day of the conference (special Competition Team rates available). The team captain is required to be a current ITLS-certified provider or instructor. Find out more at ITRAUMA.org/competition.

Social Event

Friday, November 14, 7:00 – 9:00 pm

More details to come!

Registration Information

Two Day Registration Includes:

- Entry to all conference sessions on November 14 & 15.
- Entry to the exhibit hall.
- Access to the conference mobile app with all conference session materials.
- Opening reception for conference participants. An additional guest may be invited for a fee of \$20.
- Continental breakfast, lunch and breaks on November 14.
- Continental breakfast and breaks on November 15 only (No lunch).

Pre-Conference Workshop Registrations are an additional cost, refer to page 5 for more details.

One Day Registration Includes:

- Entry to all conference sessions on your specified day.
- Entry to the exhibit hall on your specified day.
- Access to the conference mobile app with all conference session materials on your specified day.
- Continental breakfast & breaks on your specified day.
- Lunch included on Saturday only.

Discounts in 2025:

- Armed Forces Personnel receive discounted rates for the full two-day conference (Active Duty and Active Reserve). Proof of status is required.
- Chapter Coordinators receive a reduced rate for the full two-day conference. Please contact Sue McDonough at suem@itrauma.org to receive discount information.
- Competition Team members receive a reduced rate for the full two-day conference. All members must register together and participate in the 2025 Trauma Competition.
- Full-time students receive a reduced rate for the full two-day or one-day conference. Upon completion of registration, please submit proof of full-time student status to Mary Taylor at maryt@itrauma.org

2025 CONFERENCE PRICING

Two Day Conference	Before Oct 10	After Oct 10
EMT/Paramedic/Equivalent	\$ 325 USD	\$ 425 USD
Military	\$ 325 USD	\$ 425 USD
Nurse	\$ 395 USD	\$ 495 USD
