| <b>Candidate:</b>                                                                   | Ronald Kowalik, MD, RN, NRP                                                                                                                                                                                                                                                                                        |
| <b>ITLS Chapter:</b>                                                                | Ontario                                                                                                                                                                                                                                                                                                            |
| <b>Describe your involvement with your ITLS Chapter:</b>                            | <p>ITLS Chapter Coordinator, Ontario</p> <p>Reached out to develop new markets and found the best fit for ITLS products</p> <p>Developed and refined ITLS Duty to Respond materials</p> <p>Continued to develop instructor database including EMS services across the chapter</p>                                  |
| <b>Describe your involvement with ITLS International (committees, etc.):</b>        | <p>Chair ITLS Strategic Planning &amp; Policy Group</p> <p>Deputy conference Vice Speaker 2022-2024</p> <p>ITLS Group working on new book power point &amp; case-based learning material</p> <p>ITLS research forum work group and judge</p> <p>Developed material for e-trauma material as part of workgroup.</p> |
| <b>What other volunteer or leadership activities have you been involved with?</b>   | <p>Community outreach programs to inform people about EMS services, especially new citizens.</p> <p>Set up information booth at trauma fair to teach about ITLS and products</p>                                                                                                                                   |
| <b>Describe any previous or current experiences on other Boards:</b>                | <p>Work groups that helped with teaching materials for 7,8,9, and the new textbook.</p> <p>2018 pre-conference workshop on case-based learning as part of a 3-person team to deliver content.</p>                                                                                                                  |
| <b>If applicable, does your employer support your candidacy for the ITLS Board?</b> | Yes                                                                                                                                                                                                                                                                                                                |
| <b>How many hours per month could you contribute?</b>                               | 35                                                                                                                                                                                                                                                                                                                 |

**Why are you interested in serving on the ITLS Board?**

I have served ITLS on a number of work groups and now want to take the next step in bringing ITLS to reach newer markets and help it thrive.
